Government of NCT of Delhi,

Subject : De-registration of 15 years old Diesel Vehicles in Delhi.

Reference : Your letter dated 21/11/2016, No. DC/OPS/TPT/2016/4716-4751.

As per your above referred letter dated 21/11/2016 regarding information about areas where the dispersion of air is higher and vehicular density is least and to put the data of such area on the website of the Transport Department of our State, it is informed that you may issue NOC for re-registration of 15 years old diesel vehicle in Delhi to rest of cities in Maharashtra other than the areas falling in the municipal co-operations annexed herewith.

It is specifically brought to your notice that area under Municipal cooperation may be lesser than area under Regional Transport Office / Dy. Regional Transport Office of same name. Thus, area under Regional Transport Office Kolhapur or Dy. Regional Transport Office Chandrapur also includes rural area and other municipal council in the same district.

So just from the name of office of Regional Transport Office / Dy. Regional Transport Office, NOC should not be referred. It should be ascertained if the area is in Municipal co-operation or not.
